POSTAGE STAMPS, &c.

Stamps may be procured at the General Office, Market Street, the Stamp Office, and the several Receiving houses.

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery.

Stamps may be used for Foreign, Colonial, and Ship Letters, outwards.

Letters for parts abroad posted with Stamps of less value than the full amount of Postage, if addressed to places to which prepayment is not compulsory, will be forwarded, charged with only such amount of Postage as shall be equal to the difference between the value of the Stamps and the proper rate of Postage; but letters addressed to places abroad, to which prepayment is compulsory, if posted with Stamps of less value than the full amount of Postage, will be sent to the Dead-Letter Office, to be returned, in all practicable cases, to the writer.

These regulations are applicable to Newspapers, in those cases where they are liable to Postage.

If the Stamps affixed to letters are mutilated or defaced the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge.

Re-directed letters are charged an additional postage for each re-direction, according to the Prepaid Scale.

Letters to Warm Climates should be sealed with wafers, as wax destroys the letters by melting, causing them to adhere to one another.

No Letter, when once posted, can be given up to any but the person to whom it is addressed, neither is any person allowed to alter the address of a letter after being posted.

Adhesive Stamps should be placed on the right-hand corner of the upper side of the letters, above the superscription. The most effectual plan is to dip the label wholly in water, to shake of the water immediately, and to press the label upon the letter with a piece of clean blotting paper. When the gum is dull in appearance, it will require rather more time and moisture to make it stick firmly, than when it is glossy. The purpose of wetting the label wholly is to counteract the tendency it has to curl up from the letter, when one side only is wetted, a tendency caused by the expansion of that side as it imbibes the moisture.

“In the event of any Letter or Packet being taken in by you, and you do not, until afterwards, discover that it contains any Article as above described, or should any such Letter or Packet be deposited in the Letter Box, you will not forward it on its destination, but you will detain it in your office, and inform me by the first Post, of the circumstances, taking the precise Address of the Packet, and its contents, or what you suppose them to be, when proper steps will be taken in this Department of the case, and you will be instructed in what manner to dispose of the Letter or Packet.

“Should any letter or packet, containing any article as before-mentioned, not to be discovered by the Postmaster at whose office it may be posted, but be forwarded on to its destination, the Receiving Postmaster, to whose town it may be addressed, upon discovering, or having every reason to believe, that its contents are such as those alluded to, will not send it out for delivery, but will detain it in his office, reporting the circumstance by the

first post, and stating the nature of its contents, when he will be duly instructed in what manner to dispose of it."

SERVICE OF PARLIAMENTARY NOTICES.—These Notices may be sent through the post, provided they are posted on or before the 12th of December, at the chief offices of London, Dublin, and Edinburgh, or any of the following offices:—Birmingham, Bristol, Exeter, Lincoln, Liverpool, Leeds, Manchester, Newcastle-upon-Tyne, Norwich, Shrewbury, Glasgow, Aberdeen, Inverness, Belfast, Cork, Athlone. The words "Parliamentary Notice" must be legibly printed on the face of the letter, the postage must be prepaid by means of stamps, and a registration Fee of 6d (which must be paid in money) at the time of posting, which may be known by applying to the time above offices. Duplicate Lists of the addresses must be sent with the Notices, which must be arranged in the same order as entered on the lists.

Newsvenders only may print their names and addresses thereon. Newspapers may be examined by the officers of the post-office; and if there be any breach of the above regulations, the Packet is chargeable with treble the amount of postage to which a letter of the same weight would have been liable. Any person contravening the law, may, at the option of the Postmaster-General, be prosecuted as for a misdemeanour.

Clause of the Act of 1st Victoria, cap. 34, sec. 32.

"And be it farther enacted, that in all cases in which a question shall arise, whether a printed paper is entitled to the privileges of a newspaper, or other publication, hereby privileged, so far as respects the transmission thereof by the post, under the post office acts, the question shall be referred to the determination of the Postmaster-General, whose decision, with the concurrence of the Lords of the Treasury, shall be final."

MARKS OR WRITING ON NEWSPAPERS.

Writing or marks are allowed on a Newspaper passing by post between any one part of the United Kingdom and any other part, provided that a postage of one penny be paid, by means of a stamp conspicuously fixed outside the cover or folded newspaper. But the privilege is confined to writing on the newspaper itself, and is not to extend to the cover. Any writing or marks other than the address, on which (or, if the postage be not prepaid as above, on the newspaper itself—will subject the newspaper to the same rate of postage as that to which an unpaid letter of the same weight is liable.

Newspapers posted in town, addressed to any part within the town delivery, charged, paid or unpaid, 1d.

Newspapers printed or published in any of the Channel Islands, or in the Isle of Man, and sent by post between any of such Islands and Great Britain

From places abroad, to which they are not despatched free, they are charged, on delivery Twopence each; excepting those brought by the closed mail through, France, which are charged Threepence or Fivepence each. All Newspapers must be printed in the language of the country from which they are sent.

INLAND BOOK POST.

General Post-Office, June, 1855.

On and from the 11th instant, the regulations of the Inland Book Post will be as follows, viz. :—

1. Postage rates—

For a Packet.....	not exceeding 4 oz.....	1d.
Ditto exceeding 4 oz. and not exceeding 8 oz.....		2d.
Ditto ditto 8 oz.	ditto 16 oz.....	4d.
Ditto ditto 1 lb.	ditto 1½ lb.....	6d.

and so on, 2d. being charged for every additional half-pound or any less weight.

2. The postage must be pre-paid in full, by means of postage stamps affixed outside the packet or its cover.

3. Every packet must be sent either without a cover, or in a cover open at the ends or sides.

4. If the postage paid on the packet amount to as much as 4d., it may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however, of letters, whether sealed or opened); and the books or other publications, prints, maps, &c. may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c. or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached, as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

5. But, if the postage paid be less than 4d., the packet must consist exclusively of printed matter, without restriction, however, either as to number of publications or separate sheets, or as to whether they are bound or unbound.

6. A book packet, whatever may be the postage paid thereon, must not contain any letter, enclosed or open, or any enclosure sealed or otherwise, closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such packet, or on its cover.

7. No book packet can be received if it exceeds two feet in length, width, or depth.

8. Any packet, which shall not be open at the ends or sides, or shall have any letter, or any communication of the nature of a letter, written or printed in it or upon its cover, will be charged with the "unpaid" or double letter postage.

9. If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any unauthorised enclosure, the letter or enclosure will be taken out and forwarded to the address on the packet, charged with full postage as an unpaid letter, together with an additional rate of 4d., and the remainder of the packet, if duly pre-paid with stamps, will then be forwarded to its address.

10. If a packet be not sufficiently pre-paid with stamps, but nevertheless bear a stamp of the value of one penny, it will be forwarded, charged with the deficient book postage, together with an additional rate of 4d.; but any packet, which shall bear no postage stamp, will be charged with the "unpaid" or double letter postage, according to its weight.

11. In every case in which the postage charged upon a packet under these regulations would be greater than the letter rate, the latter postage must be substituted.

12. These regulations will not interfere with the privileges allowed to Votes and Proceedings of Parliament, or with those allowed to newspapers and other publications, when duly stamped with an appropriate di., and posted in accordance with the regulations applicable to such privileged publications.

13. To prevent obstacles to the regular transmission of letters, any officer of the Post-office may, when necessary, detain a book packet for a period not exceeding twenty four hours beyond the time when it would otherwise be forwarded.

14. The Head Postmaster, who first receives a book packet, must, whenever he has ground for suspecting an infringement of any of the above conditions, and occasionally even when there is no ground for suspicion, open and examine the packet; and every book packet which shall not be open at the ends or sides, or shall exceed two feet in length, width, or depth, or shall have any letter, or any communication of the nature of a letter, written or printed in it, or upon its cover, or shall bear no postage stamp, must be sent up, with as little delay as possible, to the Dead-Letter Office in London, Edinburgh, or Dublin, as the case may be; but, in the event of any other infringement of the regulations, the packet must be dealt with by the Postmaster himself, as laid down in paragraph No. 9, and in the first part of No. 10.

ROWLAND HILL, Secretary.

FOREIGN BOOK POST.

Printed Books, Magazines, Reviews, and Pamphlets, (whether British Colonial or Foreign), may be sent to Canada, Nova Scotia, Newfoundland and Bermuda, via Halifax; Malta, Gibraltar, Ionian Islands, Hong Kong, and Ceylon, via Southampton; Heligoland via Hamburg; British West Indies, Mauritius, St. Helena, and Cape Town, at the following reduced rates of postage:—

For each Packet not exceeding $\frac{1}{2}$ lb. in weight,6d.
„ exceeding $\frac{1}{2}$ lb., and not exceeding 1 lb.,1s.
„ exceeding 1 lb., and not exceeding 2 lbs.,2s.

And so on increasing one shilling for every additional pound, or fraction of a pound.

REGISTRATION.

Letters whether containing Coin, or not, can be registered, on payment of a fee of 6d., in addition to the Rates of Postage, Inland, Colonial, or Foreign. On those for delivery in France, the charges, besides the Registration fee, will be the English rate to France, in addition to double the French rate. A printed acknowledgment will be given to any person registering a letter. Registered Letters will be taken at the Bar Window and Receiving Houses within half an hour of the closing of the Box for the particular Mail by which they are to be dispatched. Letters for Registration, addressed to places within the United Kingdom, must be paid by affixing a sufficient number of stamps; when addressed to parts abroad they may be paid either in money or by means of Postage Stamps.

The arrangements for carrying out the system of registration have been made with the view of ensuring the safe delivery of Registered Letters. On their delivery, the parties to whom they may have been addressed will be required to acknowledge, in writing, their receipt. Parties transmitting Bank Notes, Bank Post Bills, Drafts, Jewellery, &c., should invariably secure their transmission by Registration; and Persons having occasion to send by Post small sums, are recommended to make use of.

THE MONEY ORDER OFFICE

which is open every week-day, (fast days excepted) from 9 a.m. till 6 p.m. The charges for such Orders is 3d. on sums not exceeding two pounds, and 6d. on sums between two and five pounds. No order will be given for sums beyond this amount; but if the sum to be transmitted exceeds five pounds, as many orders may be taken out as will make up the sum to be sent.

In cases where the personal attendance of the party to whom an order is payable is inconvenient, if the order is receipted (his or her name written in full,) and the person presenting the order be able to give full information as to the Christian name, surname, and address, of the person who transmitted the money, payment will be made, but not unless these conditions are complied with. Orders will not be granted in favour of any person, unless the Christian name of such person can be given by the party obtaining the order. Orders cannot now be granted in favour of the "Secretary" of any Society, the "Publisher" of a paper, &c. In cases of Firms the initials only are required.

A Money Order must be presented for payment before the end of the Second Calendar Month after that in which it was issued; for instance, if issued, in January, it must be presented before the end of March, otherwise a new order will be necessary, for which a second commission must be paid; and if it be not presented for payment before the end of the Twelfth Calendar Month after which it was issued, the money will not be paid at all.

After an order has been once paid, by whomsoever presented, the Officer will not be liable to any further claim.

NEW REGULATIONS.

1.—Printed forms of application for Money Orders to be sold at one half penny for five, or any smaller number.

2.—When an Order is to be paid through a Bank, the Remitter need not state the name of the Payee; and, when presented for payment, it will be sufficient that it be receipted, and presented (crossed with the name of the Receiving Bank), by some person known to be in the employment of the Bank.

3.—An Order, not originally made payable through a Bank, on being crossed by the holder, will be paid on the above conditions.

4.—Compensation for alleged injury from the delay of paying an Order, or of paying it to a wrong person cannot be allowed.

RE-ESTABLISHMENT OF THE FORMER RATE OF POSTAGE ON
LETTERS FOR VICTORIA, WITH COMPULSORY PRE-PAYMENT.

GENERAL POST-OFFICE, June, 1855.

On and from the 20th instant, the Rates of Postage charged previous to the 1st October last upon letters addressed to the Colony of Victoria will again be levied. These Rates are as follows:

	By Packet.	By Private Ship.
Not exceeding $\frac{1}{2}$ oz. in weight.....	1s 0d	0s 8d
Above $\frac{1}{2}$ oz., and not exceeding 1 oz.....	2s 0d	1s 4d
Above 1 oz., and not exceeding 2 oz.....	4s 0d	2s 8d
Above 2 oz., and not exceeding 3 oz.....	6s 0d	4s 0d

and, unless the Postage be paid in advance, the Letters cannot be forwarded.

The uniform Sixpenny Rate was extended to Victoria in consequence of a communication which was understood to convey the acquiescence of the Colonial Government, but, by despatches of a later date, it appears that there has been some misapprehension in this respect, and that not only has no such acquiescence been given, but a high rate of Colonial Inland Postage continues to be collected, on behalf of the Colonial Revenue, upon all letters sent to this country. The Postmaster-General is, therefore, reluctantly compelled to revert to the former arrangement.

REGISTRATION

OR

BIRTHS, DEATHS, AND MARRIAGES.

17 and 18 Victoriae, Cap. 80.

FROM and after the 1st of January, 1855, all Registration in existing Registers of Births, Deaths, and Marriages, became illegal (except in the case of Births, Deaths, and Marriages, occurring prior to 31st December, 1854, which may be Recorded in the existing Registers until the 31st December, 1855), and public attention is earnestly called to the following Instructions relative to the Law as now in force. Under the new system, all Births, Deaths, and Marriages, if intimated to the Registrar within the periods prescribed by the Act, will be Registered without any fee being charged against the Informants.

B I R T H S.

Section 27.—On occasion of the birth of any child, the parents or parent (or the Mother, in the case of an illegitimate child), must, within Twenty-One days thereafter, and under a penalty of Twenty Shillings, in case of failure, attend personally, and give information to the Registrar of the parish or district within which the birth occurred.

In case of the death or inability of the parents, the person in charge

of any child born, the occupier of the house or tenement in which the birth has taken place, and the nurse present at the birth, must attend and give information to the Registrar.

In the event of a failure to give the notice above specified, the parents, or other persons above specified, and also any others having knowledge of the particulars, shall, upon being required, personally or in writing, to do so, within three months from the date of the birth, attend and give information to the Registrar, under a penalty of Forty Shillings.

Section 29.—Any person who shall find exposed any new born child, or the dead body of any new born child, shall forthwith give notice of the fact to the Registrar of the parish or district, or to the Inspector of the Poor, or to the District Constable, under a penalty of Forty Shillings.

Section 31.—In all cases where Three Months shall have expired after the birth of a child, it is not lawful to Register such Births, except under the provisions of the 31st Section. The nature of these may be learned on application to the Registrar of the parish or district.

D E A T H S .

Section 33.—The nearest relatives present at the death of any person, and the occupier of the house or tenement in which the death took place, must personally give notice of the death to the Registrar of the parish or district, within Eight Days thereafter, under a penalty of Twenty Shillings.

Should the parties above specified fail to give notice, such persons, or any other having knowledge of the particulars, are bound, within Fourteen Days from the date of the death, upon being required to do so, personally or in writing, to attend and give the necessary information to the Registrar, under a penalty of Forty Shillings.

Section 39.—In the event of any person dying not in a house or tenement, the occupier of the house or tenement in which he was at the time lodging or residing, shall, upon receiving information of such death, give, or cause to be given, notice to the Registrar of the parish or district within which the deceased lodged or resided, under a penalty of Forty Shillings, in case of failure.

Where the person deceased was himself the occupier, then the inmates of such house or tenement shall give the notice.

In cases where the residence or lodging of the deceased is not known, then any person present at the death, or at the finding of the body, and any parish or public officer, or any party to whom the body shall be brought, must in like manner, and under the like penalty, give the required notice.

Section 41 provides for the transmission to the Registrar of Certificates of death, in the form prescribed by the Act, by medical attendants, within Fourteen Days, under a penalty of Forty Shillings in case of failure.

Section 42.—The undertaker, or other person having charge of the interment of any person, shall, within Three Days after such interment, and under a penalty of Forty Shillings, transmit a certificate of such interment to the Registrar of the parish within which the death took place.

M A R R I A G E S .

Section 46.—In all cases of regular marriage, when the certificates of the proclamation of banns are given out, parties will receive along with them a certain Form, to be filled up in the manner prescribed by the Act, which Form must be produced to the Minister solemnising the marriage, and signed in his presence by the contracting parties, by witnesses, male or female, present thereat, not being less than two in number, and by the minister officiating. These forms, so authenticated, must be delivered to the parties contracting the marriage, who shall,

within Three Days thereafter, either deliver or send them by post to the Registrar of the parish within which the marriage was solemnised. In the event of a failure so to deliver or send these Forms, the husband, and failing the husband the wife, is liable to a penalty of ten pounds.

Section 47.—The Registrar of a parish or district is bound, on receiving Forty-eight hours' notice, in writing, to attend parties at the solemnization of a marriage with his register book, and to make the proper entry therein.

Sections 48 and 49 contain provisions relative to Marriages irregularly contracted, the nature of which may be learned on application to the Registrar of the parish or district.

GENERAL INSTRUCTIONS.

Section 45.—Where parties fail to attend and give any notice required by the Act, after receiving two intimations to that effect from the Registrar, the Sheriff is directed, upon receiving evidence of such failure, to issue his warrant for compelling attendance, the expense of which will fall upon the party in default.

Section 52.—Printed Forms, setting forth the various particulars of the information required to be given under the Statute, will be issued to the different Registrars by the Registrar-General, and will be furnished, Gratis, to all persons entitled to receive them; and the Registrars will also afford every necessary instruction as to the proper mode of filling up the Forms prescribed by the Act.

Sections 70 and 71.—Where several parties are required by the Act to give any notice, it will be sufficient, to prevent liability for penalties, if one of them shall give the notice required; and such notice may competently be sent by post, if within the time prescribed by the Act.

LIFE DEPARTMENT.

THIS Company prosecutes the business of LIFE ASSURANCE in all its branches, on the most approved principles, so as to combine the advantages of Proprietary and Mutual Assurance Institutions.

THE NON-PARTICIPATION, or exclusively PROPRIETARY DEPARTMENT, embraces every description of Assurances on approved lives, on the most moderate scales of Premiums consistent with safety. Policies of this class secure, *at the commencement*, the largest benefits in proportion to the Premiums, which is, in many cases, an important advantage.

THE PARTICIPATION SCHEME, which was begun in 1840, has been eminently successful.

The vested additions already made to Policies for £1,000 are as under:—

Policy opened in year ending 10th Feb.	Bonus vested at 10th Feb. 1847.	Bonus vested at 10 Feb. 1852.	Total vested Bonuses in 1852.
	£ s. d.	£ s. d.	£ s. d.
1841	87 10 0	67 19 5	155 9 5
1842	75 0 0	67 3 9	142 3 9
1843	62 10 0	66 8 2	128 18 2
1844	50 0 0	65 12 6	115 12 6
1845	37 10 0	64 16 11	102 6 11
1846	25 0 0	64 1 2	89 1 3
1847	12 10 0	63 5 8	75 15 8
1848	—	62 10 0	62 10 0
1849	—	50 0 0	50 0 0
1850	—	37 10 0	37 10 0
1851	—	25 0 0	25 0 0
1852	—	12 10 0	12 10 0

According to the constitution of the Company, future Investigations must take place at intervals not exceeding five years. Parties joining this Scheme are entitled to participate in the profits which may be then ascertained to have been realised; and, when Policies of this Class become claims between two periods of division, intermediate Bonuses are allowed,—an arrangement which secures for such cases all the advantages that could be derived from Annual Investigations.

In conformity with resolutions recently passed by the Directors, with the view of introducing into the system of LIFE ASSURANCE generally every improvement of which it was susceptible, the following advantages are now enjoyed by those effecting Assurances with the Company:—

1, Policies in which the ages of the Assured are admitted, are now issued, without liability, to be disputed after the expiry of five years from their respective dates, provided only that the ordinary premiums be regularly paid, with any extras that may be incurred. This privilege will enhance the value of Assurances, when used as Securities for money, although there is no reason to apprehend disputed Claims from the past experience of this Office, as none have hitherto occurred.

2, License is granted to the Assured, on application, without extra charge, to reside in any part of the world, North of 38 degrees of North latitude, or South of 30 degrees of South latitude—California and the gold regions of Australia alone excepted. In consequence of this rule, a great majority of those Assured with this Company, who go abroad, are free from any extra charge, excepting for sea risk.

3, For surrender of Policies for the term of life, effected at uniform premiums, and which have been three years in force, a return of 40 per cent. on the amount of ordinary premiums received, will, at any time, be allowed, besides the value of vested Bonuses, where such have been declared. An objection, often urged against Life Assurance, that there is no

certainty of a fair value being obtained, in the event of surrender, is thus completely obviated.

In all respects the rules and practice of the Office are characterised by the greatest degree of liberality consistent with safety.

Prospectuses, containing important information regarding the last investigation, as at 10th February, 1852, with Tables of Rates, may be obtained on application at any of the Offices or Agencies of the Company.
